

Supplementary Figure 3: Heat map of gene expression and *RPL22L1* expression in TME. (a and b) Heat map of differentially expressed genes in COAD and READ. (c and d) *RPL22L1* expression in various cells in TME. (*RPL22L1*: Ribosomal protein L22-like 1, TME: Tumor microenvironment, COAD: Colon adenocarcinoma, READ: Rectum adenocarcinoma.)
